

7 The **ESSENTIAL CORE VALUES** *of the Constitution Party of North Carolina*

★ Sanctity of Life ★

We affirm the God-given legal personhood of all unborn human beings, without exception. As to matters of rape and incest, it is unconscionable to take the life of an innocent child for the crimes of his father.

★ Religious Freedom ★

Our Constitution grants no authority to the federal government either to grant or deny the religious expressions of the people in any place. Both the First and Tenth Amendments forbid such tyranny.

★ Traditional Family ★

We assert that the traditional nuclear family, consisting of one man and one woman joined by marriage, is the healthiest and most secure relationship, and form of family... and should be encouraged by law.

★ Private Property Rights ★

We assert our opposition to using Eminent Domain to take private property, through the force of government, from one private party to give to another. We also affirm our Fourth Amendment right against unreasonable searches and seizures.

★ Pro-Second Amendment ★

We uphold the right of the citizen to keep and bear arms. We oppose attempts to prohibit ownership of guns by law-abiding citizens, and stand against all laws, which would require the registration of guns or ammunition.

★ Anti-Socialism ★

We assert that we are opposed to Federal Aid, Foreign Aid and National health care. We deny the assumption that civil government has the authority to set wages and prices; so doing is inconsistent with principles of individual liberty and the free market.

★ National Sovereignty ★

The United States is properly a free and sovereign republic, which should strive to live in peace with all nations, without interfering in their internal affairs, and without permitting their interference in ours.

CONSTITUTION PARTY
★ ★ ★ ★ ★ ★ ★ ★ of North Carolina

“The Constitution Party gratefully acknowledges the blessing of Almighty God, Preserver and Ruler of the Universe and of these United States. We hereby appeal to Him for mercy, aid, comfort, guidance and the protection of His Providence as we work to restore and preserve these United States.”

Excerpt from the Preamble of the Constitution Party of NC State Platform

The Constitution Party of North Carolina, state affiliate of the nation's largest third party, strongly believes in a strict adherence to the Constitution of the United States as intended by the founding fathers of our great nation. We believe in the intrinsic value of life, and to that end we are the only 100% Pro-Life political party in the state of North Carolina. We recognize and wholly support the right of the citizen to be armed, to own property and to worship as they see fit without government interference. The Constitution Party of North Carolina vigorously opposes all socialist government programs that take from one citizen to give to another and the erosion of our national borders and sovereignty.

We hope that you will join us in the fight to return the rule of law to this nation and this state, and a genuine respect for the Constitution of these United States and our Republic.
