Pattie Curran

07/07/2020

Dear Governor Roy Asberry Cooper,

The Constitution Party of North Carolina recently passed a resolution laying out the case for your impeachment. We have forwarded this to The Speaker of the NC House Tim Moore, and The President Pro Tempore of the NC Senate Phil Berger. No one is above the law including the Governor. Seeing how you have clearly violated your oath of office and also disregarded state law on multiple occasions we ask that you do the honorable thing and resign.
