# THE CONSTITUTION PARTY

★ ★ ★ ★ ★ ★ ★ ★ of North Carolina

07/07/2020

Dear Lieutenant Governor Dan Forrest,

The Constitution Party of North Carolina recently passed a resolution calling for and making clear the case for impeachment of The Governor of North Carolina, Roy Asberry Cooper. Governor Cooper has repeatedly violated his oath of office to defend the Constitutions of both North Carolina and the United States. He has also repeatedly ignored state law. Therefore, unless he resigns from Office it is the NC House responsibly to take up Impeachment. We have asked Speaker Tim Moore to take up this matter and we ask that you work with him as well. Please join us in calling for the impeachment of Governor Cooper. Please see the attached resolution. We look forward to working with you in this matter and if you have any questions feel free to reach out to us.
