Charlotte (July 7th 2020) – The Constitution Party of North Carolina's State Executive committee Passed a Resolution calling on the Impeachment of the 75th Governor of the State of North Carolina Roy Asberry Cooper III. Al Pisano, Candidate for Governor and Chairman of the Constitution Party of North Carolina states" Governor Cooper has demonstrated a blatant disregard for the rights of the people of North Carolina by violating the Constitution of the United States and North Carolina. He has shown his disdain for North Carolina laws and procedures. The fact that he has so flagrantly violated his oath of office and is so willing to violate the people's rights, should make the citizens of our State angry and afraid. He is nothing short of a tyrant and is establishing an absolute tyranny over us. It is my hope that the General Assembly will do the right and necessary act and impeach him. I feel the case for impeachment is clear. I am calling on my Republican Opponent, Lt. Governor Dan Forest and my Libertarian Opponent, [Steven DiFiore II](#), to join me in helping remove this tyrant from office before we lose all our freedoms. This is not a political partisan demand but a demand that will reinforce the ideal, in North Carolina, We the People, are the authority. The rule of law must prevail."

Kevin Hayes, Vice Chairman of the Constitution Party and current Candidate for US Sente said the following "Governor Cooper's disregard for both the US and State Constitutions through his executive Orders can't be ignored. He must be held accountable. I hope that the NC house and Senate do their job and impeach the Governor before we lose more of our Constitutional Rights to this Tyrant. I am Calling on My opponent's Thom Tillis, Cal Cunningham, and Shannon Bray to join me in helping rid North Carolina of Governor Cooper's unconstitutional mandates. The fact that members of the Governor's own Party are refusing to enforce his unconstitutional orders shows this is a non-partisan issue.

The Constitution Party of North Carolina has Sent Copies of the resolution to The Speaker of the NC House Tim Moore, and President Pro Tempore of the Senate Phil Berger. Dan Forest and Governor Cooper also received a letter. We have asked Governor Cooper to do the honorable thing and resign.
